

G R U B & V I N E

Welcome to Our Bistro...

At Grub & Vine, we believe that beautiful food and excellent wine should never be parted. But when it comes to choosing the perfect wine to accompany your meal, a long list can sometimes feel overwhelming.

With this in mind, we've made things easy for you. We've curated a Grub & Vine Short List that works particularly well with food. Here, we offer the knock-out local and international vino that we believe really brings our grub to life, with an emphasis on minimal intervention and sustainable winemaking techniques. And because our menu is seasonal and changes regularly, expect our Short List to change frequently too. Please talk to our sommelier who will help guide your selection.

We're also a bistro that takes our tasting menu very seriously, which includes the wine we pair alongside each course. Choose from three pairings: Local Legends (a selection of SA's best wines); International Icons (some of the finest wines from around the world); or SA vs the World, which sees us stack up two wines side-by-side with each course, showing you just how well our local wines measure up against their global counterparts.

With Culture Wine Bar as our neighbor across the passageway, all Grub & Vine patrons also have access to Culture's full wine list, should they fancy a little more choice.

– Matt Manning, Chef Patron of Grub & Vine
